

## HB 360 -- VOTER REGISTRATION DEADLINE

SPONSOR: Entlicher

This bill allows specified federal service and covered voters to register to vote in person before an election authority until 5:00 p.m. on the Friday before an election. Those eligible must provide documentation showing that they meet the qualifications for federal service or covered voters who can register past the normal deadline.

Currently, an application for a military-overseas ballot must be received by 5:00 p.m. on the Wednesday prior to the election. This bill changes the date to 5:00 p.m. on the Friday prior to the election.
